ALL-CHURCH SUMMIT #5:

Permanent Pastor Profile / Church Affiliation Options

Sunday, June 5, 2016
4:00-6:30 pm
(Childcare available by RSVP)

Goal:
Using data and input from the diagnostic report, the Journey Wall, Values and Mission Summits, and the Theological Positions Summit, it is now time to develop a profile for a permanent Lead Pastor for KHC. We will begin to generate a list of "non-negotiables" as well as a list of "preferred" experience, giftings, and calling. We will also consider some church affiliation options.

* Each Summit session will be limited to 150 congregants and reservation will be required to attend. ** A registration link will be provided for each Summit session and Childcare (where applicable).

*** The Transition Timeline provides an overview of the anticipated milestones for the KHC transitional season. Specific dates and events remain flexible and open to change based on information and circumstances unknown at this time.
